

## Corning Meals on Wheels

Corning Meals on Wheels (CMoW) is proud to have served the greater Corning-Painted Post area since 1966, and look forward to continued service for decades to come. We certainly cannot do this without your help.

At CMoW, we bring healthy food and comfort to homebound & frail seniors, as well as peace of mind to their loved ones. **In 2025, we served 270 of your neighbors. We delivered 57,591 meals. The total cost to us of a meal increased to \$8.46.** We did this under significant financial strain, as **client donations averaged only \$1.15 per meal and government funding provided only \$1.50 per meal.**

Despite the financial challenges, we are committed to being part of the solution to a vital community need. Our dedicated volunteers share their time. Our cook shares her talent and creativity. Our administrative staff and our board share their dedication, fiscal responsibility and thoughtful oversight.

The **generous contributions of tournament sponsors and players help** ensure we can **continue our mission to nurture health, dignity, and independent living among people who need meals delivered to their homes.**

*Thank you so much for providing meals to me after my recent hospital stay. The meals were always hot and well planned, and I enjoyed the cheerful volunteers who delivered them with a smile. It was such a relief to have these delicious meals delivered as I focused on my recovery. You are providing a wonderful and much needed service to the community!*
